QUALIFYING REQUIREMENTS

The bidders who wish to participate in the bidding shall satisfactorily establish that they fulfil the following Qualifying Requirements.

1.1. The bidder should be a regular manufacturer of vertical type coal pulverizers and should have supplied such coal pulverizers to at least two coal fired Units, each of 200MW or higher capacity, located at two different Power Stations and which are in successful operation for at least two years as on the last date of the month preceding the month of publication of NIT with the same type of grinding rolls (Centrifugally Cast Ni Hard type or carbide insert type or weld overlay / high chrome type rolls or sinter cast rolls using one or more grinding roll sets) as offered by the Bidder.

OR

1.2 a) The bidder should be a regular manufacturer of the type of grinding rolls (Centrifugally Cast Ni Hard type or carbide insert type or weld overlay or high chrome type or sinter cast type) as well as bull ring segments (Cast Ni Hard type or carbide insert type or weld overlay/ high chrome type or sinter cast type) offered by him and should have supplied at least ONE HUNDRED FIFTY (150) Nos., of 43 inch or higher size such type grinding rolls with FIFTY (50) sets of bull ring segments for XRP / Raymond bowl type of coal pulverizer during last three years as on the last date of the month preceding the month of publication of NIT.

AND

b) Bidder should either himself or through a company / agency in which he has controlling stake, own following manufacturing & testing facilities for use by the bidder for manufacturing of the grinding rolls as well as bull ring segments, (Bidder to furnish proof of ownership of the facilities along with his bid).

Manufacturing Facilities:

- a) Induction / Cupola / Induction Arc Furnace for melting iron of capacity 1.0 ton and above.
- b) Centrifugal casting machine to accommodate grinding rolls of over 2500 Kg (in case bidder is offering Ni-hard rolls).
- c) Machining facility for inside bore.

Testing Facilities:

- a) Chemical Composition testing
- b) Magnetic particle testing machine.
- c) Hardness testing.

- d) Ultrasonic testing machine to check tread to core bond.
- e) Micro Structure testing.
- f) Ultrasonic testing machine to check tread thickness.
- g) Inside Micrometers to check inside taper measurement.
- h) Spectrometer / spectrogram.

OR

- 1.3 The bidder should be a regular manufacturer of grinding rolls as well as bull ring segments for vertical type coal pulverizers and should have supplied at least Fifty (50) Nos., of grinding rolls and seventeen (17) sets of bull ring segments for vertical type coal pulverizers and should have an ongoing collaboration / license agreement with a manufacturer who meets the qualifying requirements as stipulated at Clause 1.2 (a) above. In such a case bidder along with his collaborator shall furnish a Deed of Joint Undertaking (DJU) for successful performance of the grinding rolls and Bull Ring Segments offered by him. Further Bidder should have manufacturing and testing facilities as per 1.2(b) above and shall offer only the type of grinding rolls (i.e. Centrifugally Cast Ni Hard type or carbide insert type or weld overlay / high chrome type or sinter cast type) as well as bull ring segments (i.e. Cast Ni Hard type or carbide insert type or high chrome type or sinter cast type) for which his collaborator is qualified.
- 1.4 The bidder should have an average annual turnover during the last 3 years ending 31st March of the previous financial year , not less than Rs. 113.08 lakh.
- 1.5 The Bidder should have experience of having successfully executed supply of Vertical Coal pulverisers / Grinding elements for coal mills during the last seven (7) years ending last date of the month preceding the month of publication of NIT of following values: :

Single order of value not less than Rs. 90.4 lakhs.

OR

Two orders of value not less than Rs. 56.5 lakhs each.

OR

Three orders of value not less than Rs. 45.2 lakhs each.

Note:

1. Bidder is requested to clearly stipulate hereunder the route under which the qualification is being sought. Bidder is also required to submit along with the bid all necessary documents to establish Bidder's qualification.
2. The supply values at Clause 1.5 shall be considered inclusive of taxes and duties.

TERMS AND CONDITIONS

- 1 Bid documents will be issued to all the parties on their request for issue of bid documents without prima-facie examination of their qualification status. However, issue of bid documents shall not mean that bidders are considered qualified.
